PARTHASARATHI A

DATA ANALYST | DATA ANALYTICS | SQL | EXCEL | POWER BI | PYTHON

Coimbatore, India | +91 9629350583 | sarathivarma2005@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Data Analytics professional with 9 months of professional experience as a Data Analytics & Data Science Technical Trainer, plus prior hands-on analytics experience at KGiSL Microcollege. Skilled in SQL, Advanced Excel, Power BI (Power Query, data modeling, DAX) and Python (Pandas, NumPy) for data cleaning, exploratory data analysis, KPI reporting and dashboard development. Delivered portfolio projects across SQL, Excel dashboards, Power BI and machine learning, turning data into clear, decision-ready insights. Targeting Data Analyst, BI Analyst and Reporting Analyst roles.

PROFESSIONAL EXPERIENCE

Data Analytics & Data Science Technical Trainer | LIVEWIRE Hopes, Coimbatore **Jan 2026 – Present**

- Deliver hands-on training in SQL, Advanced Excel, Power BI (Power Query, Data Modeling, DAX), Python (Pandas, NumPy), Statistics, and Machine Learning across 5 batches and 50+ learners.
- Develop analytical datasets and assignments covering data cleaning, EDA, data visualization, KPI reporting, and dashboard development using real-world business scenarios.
- Review and evaluate SQL queries, Excel analyses, Python workflows, and Power BI reports, providing technical feedback and corrections.
- Develop practical exercises and demonstrations based on business and industry scenarios to apply analytics concepts to real-world problems.
- Conduct Data Analytics and Data Science seminars and live demonstrations for 180+ participants.

Data Analytics & Data Science Intern | KGiSL Microcollege, Coimbatore **May 2025 – Sep 2025**

- Cleaned and quality-checked analytical datasets, identifying missing values, inconsistencies, and errors before analysis.
- Used Excel and SQL to organize, validate, and prepare data for analysis and reporting.
- Developed Excel reports and Power BI dashboards using data transformation, data modeling, and visualization techniques.
- Performed exploratory data analysis and visualization to identify patterns and summarize dataset findings.
- Applied Python and machine learning techniques as part of data science projects and analytical workflows.

TECHNICAL SKILLS

Data Analytics: Data Cleaning, EDA, Data Profiling, Statistical Analysis, Data Visualization, Reporting, Insight Generation
Statistics: Descriptive Statistics, Probability, Normal Distribution, Z-Score, Confidence Intervals, Skewness, Kurtosis
SQL: SQL Server, Joins, Filtering, Aggregations, Subqueries, CTEs, Window Functions, CASE Expressions
Excel: Pivot Tables, Pivot Charts, XLOOKUP, VLOOKUP, IF/IFS, Power Query, Data Cleaning
Power BI: Power Query, Data Modeling, Relationships, DAX Measures, Calculated Columns, KPI Reporting, Dashboard Design
Python: Python, Pandas, NumPy, Matplotlib, Seaborn
Machine Learning: Preprocessing, Train/Test Split, Cross-Validation, Hyperparameter Tuning, Classification, Regression, Clustering, Model Evaluation (Accuracy, Precision, Recall, F1, ROC-AUC, Confusion Matrix), Scikit-learn
ML Algorithms: Logistic Regression, KNN, SVM, Decision Tree, Random Forest, XGBoost
Tools: Google Colab, VS Code, GitHub

PROJECTS

Global Economy & Demography Analysis **SQL|Power BI|Excel**

- Analyzed GDP (1960–2016) and population data to identify economic and demographic trends across countries.
- Queried country-level data using SQL and developed a Power BI dashboard with documented findings.

Global Salary Survey Analysis **Excel|SQL**

- Cleaned and analyzed salary survey data to identify salary patterns and trends across categories.
- Used SQL to retrieve target tables and built an interactive Excel dashboard.

Coffee Data Analysis **Python|Pandas|NumPy|Matplotlib|Seaborn**

- Cleaned and prepared the dataset and performed univariate, bivariate, and multivariate EDA.
- Created visualizations to analyze patterns and relationships within the data.

EDUCATION

Bachelor of Commerce – Computer Application | SMS College of Arts and Science, Coimbatore **2022 – 2025**

CERTIFICATIONS

Data Analytics & Data Science | KGiSL Microcollege **May 2025 – Sep 2025**

LANGUAGE

Tamil - Native | **English** - Professional
